

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

Dr. Marion Bugbee of Concord, formerly of Hartford, sailed for France the first of this month, to remain for six months.

The little son of Charles Roy of West Barre pulled a kettle of hot water onto himself recently, burning himself badly.

Austin Puffer, who died at his home in Richford Feb. 25 of erysipelas at the age of 87 years, had been a member of the Methodist Episcopal church for 72 years.

The card system of selling sugar is working out very satisfactorily in Belvidere Falls. Since the system has been adopted each person has been allowed one-half pound per week.

County Agent Sweeten of Brattleboro estimates that the saving on a quantity of fertilizer just delivered to him for the use of farmers in that county, brought about a saving of from \$8 to \$10 a ton.

Rev. E. D. Pace, clerk, chaplain and teacher at the house of correction for three years, but lately pastor of a Methodist church in Deland, N. Y., has been re-engaged for his old position at the house of correction in Rutland, and began his duties there to-day.

The house of Edward Daniels in Orwell was destroyed by fire recently, no one being at home but Mrs. Daniels and the children. Very little was saved. There was insurance on the buildings, but none on the goods, and the loss is heavy.

Harry Reynolds, the boy who stole a horse and sleigh from South Burlington and drove to Vergennes, was sentenced in Burlington city court to spend the rest of his minority in the industrial school.

Miss Lorraine E. Green, a district nurse in Springfield, is soon to enter the service of the government as an army nurse. At a farewell party recently she was presented a folding kodak, \$5 in money and six rolls of films.

Burlington is said to be getting coal faster now than it can be unloaded. One concern there received 40 carsloads within 24 hours, and the same concern has 40 more cars on the way.

Among the 19 Smith college girls at the college unit in France is Mrs. Fahnestock of Dorset. The girls are helping the French left behind by German raids and are looked upon with great respect by the French people.

James H. Burke, formerly station agent at Brattleboro, and before that in the employ of the Central Vermont in St. Albans, has resigned as general superintendent of the Northern Railway company of Costa Rica and has offered his services to the government. The Vermont home of Mr. Burke's family is in Essex Junction.

Because of snow which fell during Thursday night, the electric cars between Bellows Falls and Saxtons River were not able to operate next day until late in the afternoon, and 30 employees of the Vermont Farm Machine company, who live at Saxtons River, walked the five miles to their work.

Nine carloads of fertilizer have been shipped from the Burlington Rendering Co. to various places in the state. The demand for fertilizer from Vermont farmers is very large and the company is filling up with orders and is obliged to hold back many of them because of a scarcity of cars.

H. W. Ward of New York, owner of Deer Park farm in Halifax, has sued the town for \$500 damages, claiming that the selectmen failed to comply with the law relating to assessing damages done to sheep by dogs. He alleges that in 1915 he lost 21 sheep, the next year 20 and last year four sheep, all killed by dogs and that the town tried to settle for \$60, which his attorneys returned.

Educational Scoring for Dairy Butter. Through the co-operation of the state department and the extension service of the University of Vermont and state agricultural college, a monthly educational scoring for creamery butter was started last January at the state college of agriculture, Burlington. This has proven successful.

Although this class is open only to the creameries of the state, several farm dairies have sent in samples to be scored and others have made inquiries regarding a class for dairy butter. Owing to this demand, it has been decided to open a special class for samples of farm dairy butter. The scoring will be held on the same dates as the scoring of creamery samples, namely, the fifteenth of each month.

Samples should be addressed to the agricultural extension service, Burlington, Vermont, and should be sent to arrive not later than the thirteenth of each month. Detailed instructions may be obtained from Prof. H. B. Ellenberger, Burlington, Vermont.

To each farm sending in samples during the remainder of the year eight of which score 90 or above, there will be awarded a diploma. The butter, after being scored, will be sold and the net returns, together with the score and criticism of the judges, will be mailed to the party entering the samples. In this way, valuable suggestions and assistance will be rendered to the butter-makers of Vermont.

VERMONT BUSINESS TROUBLES. Two Out of Three Were in the Automobile Business.

Three petitions in bankruptcy were filed Friday, two being the schedules of garage men, while the third was that of a Rutland railroad, Richard T. Black. Mr. Black has several local creditors among the physicians and also has numerous bills in Burlington, including the Fanny Allen hospital.

The Rutland man, who is represented by Attorney J. C. Jones, has liabilities of \$804.80 and assets of \$200, all of which is claimed exempt.

Fred Richmond of Barton filed a petition in bankruptcy as an individual and as the Crystal Lake garage. He has liabilities of \$841.36, all in unsecured claims, and has assets of \$888.36, none of which is claimed exempt.

Seneca W. Pelase of Bennington has liabilities of \$110.81, and assets of \$337.40 of which \$300 is claimed exempt. The schedules claim that a majority of the debts were incurred while the petitioner was in the automobile business.

"Better Than Worm Tablets"

Some people who are troubled with worms, or whose children sometimes suffer that way, try to get rid of the trouble by using worm tablets, worm lozenges or worm candy. There is no remedy that can compare with Dr. Tru's Elvir for quickly expelling worms, whether they are stomach worms or pin worms.

Besides that, your stomach is toned up and normal action of the bowels is restored when you take Dr. Tru's Elvir. It is a doctor's preparation, originated by Dr. Tru and on the market more than 60 years.

Dr. Tru's Elvir, the Family Laxative and Worm Expeller, pleasantly and quickly expels worms and makes you feel much better. Remember this when you or your children are troubled with worms. Don't take those worm lozenges, tablets or candy that may upset you, but use Dr. Tru's Elvir that tones and soothes stomach and bowels and expels worms.

Lots of people have worms and don't know it. Children have worms and don't know it. Write us for a free sample of Dr. Tru's Elvir for symptoms.

SAW 20 AIRSHIPS AT ONCE.

Private Raymond E. Martin in France Calls It Inspiring Sight.

Private Raymond E. Martin, a student at Goddard seminary at the time of his enlistment, writes thus to his parents in Rochester:

Somewhere in France, Jan. 27, 1918.

Dear Parents: I am very happy tonight, as I had a letter from you and one from Harriette. I have not had an opportunity to answer the other one yet, so will make a few comments on that. Very, very sorry to hear of Jule's death. I wanted so much to see him after the war was over. We could have wonderful times comparing notes on the present war and the rebellion. He was a soldier and a kind and good friend. Can you pay a greater tribute to any man?

I am so glad to know that the boys at home are enlisting. There is work for them, one and all. I wish that the 1st Vermont could be filled by volunteers once more. Vermont has done her share, but she should lead, as she always has done.

Was very glad to hear about the Christmas at home, the gifts, etc. My Christmas was a very happy one and everything was done to make it pleasant. My friends in America must be legion, they are so kind. Won't you please thank them all for the many letters and presents they have sent. Just one little letter makes me happy for a whole week.

Don't worry about me in the least. I am well and happy. Am in fine physical condition and everyone tells me how healthy I am getting. We are in a fine billet and we certainly enjoy it. My rubber feet are my salvation. They keep my feet in excellent condition. We were issued hip boots recently and will use them in extremely wet weather.

That reminds me. I must tell you about the weather here. The snow and ice have disappeared and it is beautiful spring weather, warm and nice, and the sun shines nearly every day. Some different than it was when we first arrived.

CASTORIA For Infants and Children In Use For Over 30 Years Always bears the Signature of *Chas. H. Fletcher*

Warning for Annual City Election March 5, 1918

The legal voters of the city of Barre, Vermont, are hereby notified and warned to meet on Tuesday, March 5, 1918, at 6 o'clock in the forenoon in their respective wards at the several voting places hereinafter named, for the purpose of electing a mayor, city clerk, city treasurer, first constable, second constable, three directors of French's Barre library and three auditors, all of whom shall hold office for one year; also one assessor to serve for three years; also to vote upon the following questions:

"Shall licenses be granted for the sale of intoxicating liquors in this city?"

"Shall licenses of the fifth class be granted in this city?"

"Shall Washington county establish a tuberculosis hospital and issue its bonds therefor, in accordance with the provisions of an act of the general assembly of 1917, entitled, 'An act to provide for the establishment of county hospitals for tuberculosis?'"

Also for the purpose of electing in ward two one alderman to serve for two years, and one school commissioner to serve for three years.

In ward four: One alderman to serve for two years, and one school commissioner to serve for three years.

In ward six: One alderman to serve for two years.

The following are designated as voting places in the several wards:

Ward one—Church street school building.

Ward two—Spaulding school building.

Ward three—Summer street school building.

Ward four—Brook street school building.

Ward five—Ward V school building.

Ward six—City court room, city hall building.

Dated at the city of Barre, Vt., this 18th day of February, A. D. 1918.

EUGENE C. GLYSSON, Mayor.

Attest: JAMES MACKAY, City Clerk.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

plex and a second shock followed about a week ago.

Mr. Hughes had an extensive acquaintance, having been for many years traveling salesman for Griffith & Nathaniel of Poultney. In later years he was an officer of the Green Mountain State Co. Mr. Hughes was a member of the various Masonic bodies, Eureka lodge, F. and A. M., of Fair Haven; Poultney chapter, R. A. M., of Poultney; Killington commandery, K. H., and Cairo temple, A. A. O. N. M. S., both of Rutland. He was one of the delegates to the last national convention of Shriners. He was also a member of the True Ivoirites.

He had been auditor of the town of Poultney and was on the ticket for reelection next Tuesday.

WELL KNOWN STATE MAN.

Poultney, March 4.—William H. Hughes, one of the best known state men of this district, died Saturday, aged 65 years. He is survived by his wife and a son, Robert Morris, a student in Troy Conference academy, also a brother, Harry, who lives in New York state, formerly of Poultney. About two weeks ago Mr. Hughes was stricken with apoplexy.

Small Pills. Small Dose. Small Price.

TRAIN YOUR SYSTEM through the liver, to act naturally, at a fixed time every day. The best habit in the world is the habit of health.

Take one pill regularly (more only if necessary) until you succeed. Then you can stop taking them without trouble or annoyance. This has been the good-health rule for fifty years.
